PAM STENZEL

Several years ago Pam Stenzel grew weary of hearing the phrase, NOBODY TOLD ME!! After years of counseling young girls who found themselves in crisis pregnancies, Pam began to realize that so many were completely unaware of the risks involved with sexual activity, and that many had never been told about all the consequences of their choices. That was the inception of Pam's life as a speaker.

Pam now travels both domestically and internationally, speaking to more than 500,000 teens a year. Surprisingly many of her requests to speak come from teens themselves. She has been a guest on numerous national TV and radio programs, including appearances on Fox News

Network's "Hannity & Colmes Show," ABC Radio's "Sean Hannity Show," "The Dr. Laura Show," CBN's "The 700 Club," and ABC Television's "Politically Incorrect with Bill Maher."

She is also the Founder of Enlighten Communications, Inc., an organization focused and committed to the betterment of children and families in America and around the world. Enlighten offers a broad new model approach for those desiring to embrace strong character in today's youth. Enlighten empowers parents, youth leaders and educators to lead informed discussions on sexual abstinence and the benefits it produces.
